## **WE INVITE YOU TO INSPECT THE SHAVER LINCOLN RED HERD**

Shaver Lincoln Reds have been systematically selected over the past decade, to incorporate a broad genetic base of the breed. Our 60 breeding age females represent 18 unrelated families. Through natural service and by the use of A.I., we have retained in the herd, progeny from 24 different sires.

The Shaver herd represents more than ten years of carefully planned matings and relentless culling. Come and judge for yourselves the results of these endeavours.

Bulls and heifers are available at all times. Write or call to Donald McQ. Shaver, Jr., General Manager, at the address and telephone number given below.

## **SEMEN FROM SHAVER LINCOLN RED BULLS IS AVAILABLE**

and as a special offer to Shorthorn breeders, we can supply semen from four outstanding bulls. With orders delivered by 30th June, 1977, you will receive 5 free services with every 25 services ordered. You can choose from a combination of bulls. Split an order with your neighbour if you like.

**Seeing is believing, breed a portion of your females to Shaver Lincoln Reds, this season and watch the progeny.**

**All four bulls are polled and they are:**

**LORD & TROOPER:**

**\$8.00 per service.**

**CHIEFTAIN & COMMANDER:**

**\$6.00 per service.**

Send your orders so they arrive no later than the 15th June, 1977, with a 25% deposit, plus your name, address and desired receiving point for the order. Allow a minimum of three weeks for the semen to arrive. You will be invoiced for the remaining balance which must be paid before shipment will be made. Since semen supply is limited, please indicate your preference by bull so that delays in delivery can be avoided.

Prices quoted are FOB point of shipment in Canada. This offer is good only while supplies last. While every effort will be made to supply your Free Services from the bull(s) requested, we reserve the right to substitute with other bull(s) from the above list.

# OH HAPPY DAY!!!

March 24th, 1977 certainly was a bright and sunny day. Actually, as far as the weather is concerned, I'm not sure whether it was raining or snowing. But, I do know that for those of us involved in the Shorthorn Business it certainly was bright and sunny and a day that we will never forget.

For it was on March 24th when the excitement that had originated in Regina, Saskatchewan, and spread throughout Canada and the United States, climaxed. This was the day of the Shorthorn Sale at the 72nd Annual Regina Bull Sale.

Reports of a "Super Bull" were being made on television, radio in newspapers and of course by the most accurate and fastest method of communication, word of mouth. Noted Cattlemen of all breeds were talking favourably about this bull.

As you will see elsewhere in this issue, **CRESTDALE SUPER FLAG 14G x**, bred and consigned by Harvey and Ray Schulhauser, Dysart, Saskatchewan, broke a North American

Record when he sold for \$41,500. Many top cattlemen, of many breeds, placed bids for The Bull. However, the successful news owners are Art Huber and Sons, Lipton, Sask.; George Cooper and Sons, West Bend, Sask.; and Barry Andrew and Sons, Regina, Sask.

I suppose there are two basic questions that most skeptics ask when such a record like this has been achieved. First of all, is the bull really worth that much? My answer would be a definite yes. Having had the opportunity to see this bull at several different stages of his development during the last 1½ years, I am certainly convinced that this bull has a tremendous amount to offer not only to the Shorthorn breed but to the entire Beef Industry. This bull may well have more influence on the Shorthorn business than any other bull in history.

The second question that is asked is, was the deal on the level. You bet it was! I haven't the least bit of doubt that this deal was authentic — and I don't need to see the cheque! This transaction was made between four of the finest families who have ever been involved in the Shorthorn business. These families could well have written the definitions of "honesty" and "integrity".

To sell a bull of this calibre, for this amount of money is indeed an achievement. But, to have bred, raised, shown, merchandised and ultimately sold a bull such as Crestdale Super Flag 14G x is an achievement unequalled by few.

The boost given the Shorthorn industry by this sale can not be measured. When the first man landed on the moon, he said that it "was a small step for man, but a giant step for mankind". When I talked with Harvey Schulhauser a couple of days after the sale, he said basically the same thing: "We were really pleased, but what a great day it was for the Shorthorn Breed". Oh, for more people like this in the Shorthorn Business and the Cattle Business.

Thus, in this issue, we salute Harvey, Mildred and Ray Schulhauser and the purchasers of Crestdale Super Flag 14G x.

## VALLEY CREST HARDY CAVALIER *"Goes West"*

Well folks, I made it. After travelling 1700 miles, I still weighed an outstanding 2210 lbs, much to my new owner's surprise.

My first impression of my new home is very satisfying.

I do hope you good "SHORTHORN" people will come and see me sometime.

*"Hardy"*

# Schulhausers Shatter Shorthorn Records

**CRESTDALE SUPER FLAG 14G x  
GRAND CHAMPION, 1977 REGINA BULL SALE  
NORTH AMERICAN RECORD SELLING SHORTHORN  
Selling for \$41,500.**

Pictured with Crestdale Super Flag 14G x following the Super Win are: Harvey and Mildred Schulhauser, Dysart, Sask., owners; Dave Durie, Lavoy, Alta., Judge; Representative, Labatt's Breweries, donor of Grand Champion Banners; Saskatchewan Lassie Princess Heather Northrop; Saskatchewan Lassie Queen Candyce Gislason. Ray Schulhauser, co-owner, is at the halter.

Regina, Saskatchewan has become accustomed to great livestock happenings during the past number of years. This spring, in mid March, the focal point was the report about the "Greatest bull they had ever seen" that was to be sold in the Shorthorn Bull Sale. Buyer fever was hot amongst all beef cattle breeders who saw this tremendous herd bull prospect. Syndicates were formed with breeders from several other breeds being involved, and the telephone lines were sizzling with the news of "You will just have to see him to believe how good this bull is".

THE BULL was forced to sleep on his feet, as everyone just had to see him. From early in the morning until late at night, he was poked, prodded, mauled, measured, slapped, and most of all admired. The comments varied: — "I can't believe how big he is" — "I've never seen anything like him" — "Look at how correct he is" — "He is the best bull I have ever seen of any breed at this age".

CRESTDALE SUPER FLAG 14G x,

consigned by Harvey and Ray Schulhauser, Dysart, Saskatchewan, was destined to become the highest priced Shorthorn ever to sell at public auction in North America.

The Shorthorn sale opened with the selling of the Grand Champion, and following the opening remarks, Auctioneer Jock Blacklock called for opening bids on Crestdale Super Flag 14G x. Ringman Bill Blacklock requested permission to start the bull at \$7,200 to top the record set by last year's Champion that had sold for \$7,100. The bids then came in rapid fire succession, with the ringmen screaming in bids from all corners of the sale pavilion. At \$20,000., Jock paused to give everyone a breather, and several speeches were made about the bull and the closeness to becoming a record price for a bull sold in Canada. The bidders all took a deep breath and away they went to \$30,000.

Now the bidding settled between Bill Huber, Lipton, Saskatchewan, on behalf of a Saskatchewan group and Chuck Davasher, Winnett, Montana bidding on behalf of Miss

K's Shorthorns. With the Saskatchewan group having to regroup their forces after every skirmish, Chuck really poured on the coal, with the bidding going strongly to \$35,000. After this point, each bid came a little slower, and it became a real endurance test and at \$40,000 the bidders were advancing the bidding by \$500. a lick. Finally the battle was won by the joint Saskatchewan breeders of Art Huber and Sons, Lipton, Sask.; George Cooper and Sons, West Bend, Sask.; and Barry Andrew and Sons, Regina, Sask., at the record breaking bid of \$41,500, to keep the bull on Saskatchewan soil.

Crestdale Super Flag 14G x is a son of the famous Mandalong Super Flag x, imported from Australia as a young calf by Dr. J.G. Carter, Okotoks, Alberta. "Flag" has been extensively used A.I. throughout North America. "14G's" dam is Crestdale Maud Vera 4B, a daughter of Boa Kae Royal Banner x. At the sale, 14G officially weighed 1950 pounds with .44" fat, at approximately 23 months of age.

The selling of Crestdale Super Flag 14G x at \$41,500 broke at least five price records.

He broke the record for top selling Shorthorn bull in the 72 year history of the Regina Bull Sale. The previous record was held by Lonedale Mark 5th x when he sold for \$7,100 in the 1976 sale.

Previously, the record top-selling Shorthorn bull in Canada, to sell at public auction, was held by Canadian Image when he sold for \$20,000, in the Ernmere Dispersal to Howard Snethen, New York.

Crestdale Super Flag 14G also broke the record for the top selling bull in North America. Pitodrie Upright had held this record since 1947 when he was sold in the Sni-A-Bar Dispersal to a syndicate of Ohio Breeders for \$34,000.

Up until the 1977 Regina Bull Sale, the all-time record price for a Shorthorn, male or female, to sell at public auction in North America was held by 8th Duchess of Geneva, selling for \$40,600. This female was offered in the New York Mills Sale in 1873 and sold to R. Pavin Davies, England.

Now CRESTDALE SUPER FLAG 14G x holds all these titles and honours.

Sale day at the 1977 Regina Bull Sale will no doubt be entered in the record books as Schulhauser Day. Not only did they breed the record selling Champion, but they also bred the second high selling bull. He was the Reserve Champion, Crestdale Super Flag 16G x. Another son of Mandalong Super Flag x, he sold to C. and K. Davasher, Winnett, Montana for \$4,100.

Wm. Bender, Neudorf, sold one of the more popular bulls, Philford Dan 3G x, a son of a famous Regina Bull Sale Champion, Radisson Dan x. This big roan weighing 1780 lbs. sold to Howard Scott, Brigden, Ontario at \$2650.

The heaviest bull in the sale was the three year old Night Hawk x, who weighed in at a whopping 2300 pounds. Schulhausers consigned this huge son of Meadowbrook Prince 16th x, and he sold to M. S. Morgan, Dundurn, Saskatchewan at \$2600.

John Morari, Calder, Sask. can always

be counted on to consign his best to this sale. John's feature bull this year was Lonedale Mark 15th x, a 1960 pound son of Pleasant Dawn Mark 2nd x, and a full brother to last year's \$7100 Regina Bull Sale Champion. He was selected by Gamble Brothers, Perdue, Saskatchewan, at \$2500.

John Morari also sold Lonedale Mark 18th x, another Pleasant Dawn Mark 2nd x son, to D. McNeil, Ongre, Sask. for \$2200.

Huberdale Bold Leader 75G x, headed the Arthur G. Huber and Sons, Lipton, Sask. consignment. A son of Kenmar Leader 16A x, he sold to Beauvue Shorthorns, Loughheed, Alberta, at \$2000.

CRESTDALE SUPER FLAG 16G x was named RESERVE GRAND CHAMPION, 1977 REGINA BULL SALE for HARVEY AND RAY SCHULHAUSER, Dysart, Sask. Pictured are: Harvey and Mildred Schulhauser; Heather Northrop; Candyce Gislason; Dave Durie; Don Murphy, President, Saskatchewan Shorthorn Association; and Ray Schulhauser.

BEST GROUP OF THREE was won by HARVEY AND RAY SCHULHAUSER, CRESTDALE SHORTHORNS, Dysart, Saskatchewan, winning the James Alexander Trophy. Pictured during the presentation are: Ray Schulhauser, Grant Alexander and Mildred and Harvey Schulhauser.

# CRESTDALE DOMINATE REGINA SHOW

Harvey and Ray Schulhauser, Dysart, Sask., dominated the 72nd Annual Regina Bull Sale show. This year's show was judged by David G. Durie, Lavoy, Alta. and he was selecting big, correct, good moving bulls.

The Grand Champion was Crestdale Super Flag G x, son of Mandalong Super Flag x, and consigned by the Schulhausers. Judge Durie commented that he considered the bull an easy Champion and a bull that all beef Cattlemen must recognize as an outstanding bull. "14G" was the focal point of the entire bull sale with breeders of all breeds admiring him.

The Reserve Champion was another Schulhauser x Super Flag combination, Crestdale Super Flag 16G x. A correctly made, attractive roan, this bull must be recognized as a top flight herd sire prospect, even though he was over-shadowed by his half brother and stall mate.

The Senior Champion, Lonedale Mark 15th x was a very correctly made son of Pleasant Dawn Mark 2nd x and was consigned by John Morari, Calder, Sask. He is a full brother to last year's Regina Bull Sale Champion.

The Reserve Senior Champion was Night Hawk x, a huge son of Meadowbrook Prince 16th x, and consigned by The Schulhausers.

Complete show results follow:

## Bull born in 1974

1. Lonedale Mark 15th x — John Morari; 2. Night Hawk x — Harvey and Ray Schulhauser; 3. Ellsway Rebel x — L. Schneider and Sons.

## Bulls born January 1, 1975 to March 18, 1975

1. Silverleigh King 17G x — Barry Cooper, West Bend; 2. Duncalr Gil x — Barry Andrew and Sons; 3. HC Walking Tall 1G — N. Gerald and Grant G. Alexander; 4. Silverleigh King 16G x — George Cooper and Sons; 5. Silverleigh King 4G x — George Cooper and Sons; 6. Thorncliffe Gallant Lad 20G x — H. J. Morton; 7. D'N Eden Ronald 6G x — W. M. Morton.

## Bulls born March 19, 1975 to March 21, 1975

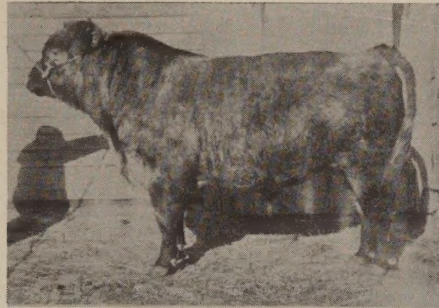

1. Crestdale Super Flag 4G x — Harvey and Ray Schulhauser; 2. HC Roan Prince 39G x — Barry Andrew and Sons; 3. Schoolview Elm Leader 18G x — John Moellenbeck and Sons; 4. Triple M Leader 12G — Alan Muirhead and Sons; 5. South Plain Proud King 7G x — Charles Campbell; 6. Springmead Flag 1G x — Stanley J. Cuming.

## Senior Champion

Lonedale Mark 15th x — John Morari, Calder, Saskatchewan.

# Champions Shared at Edmonton Bull Sale

**GRAND CHAMPION BULL, 1977 CANADIAN WESTERN STOCK SHOW** was WINALOT BIG RED 2G for Milton and Rita Hennig and Family, Andrew, Alberta. Pictured with the Hennig Family are Judge John Boake, Acme, Alta. and 1977 Alberta Lassie Queen, Adele Woods.

**GRAND CHAMPION FEMALE, 1977 CANADIAN WESTERN STOCK SHOW** was ALDONLEA DIAMOND LASS 17G for Alan Wilson, New Norway, Alta. Pictured are Judge John Boake, Acme, Alberta; Adele Woods, 1977 Alberta Shorthorn Lassie Queen; and Alan Wilson.

The Edmonton Spring Bull Sale Show was judged this year by John Boake, Acme, Alberta. He was picking framy, good moving cattle.

John selected Winalot Big Red 2G from the consignment of Milton Hennig, Andrew, Alberta, as his Champion Bull. A tall, extremely smooth May bull, he gave every indication that he should transmit outstanding carcass improvement.

The Reserve Champion was the flashy, correctly-made white Redhill Guardsman, consigned by David G. Durie, Lavoy, Alta. This bull's size, substance and mobility were impressive.

The Champions of the female show were Aldonlea Diamond Lass 17G and Aldonlea Maisey Flora 39G. Both of these attractive white heifers were consigned by Alan G. Wilson, New Norway, Alta.

The Edmonton Shorthorn Bull Sale showed an increased buyer interest, although the depressed beef market no doubt had a bearing on the prices the consignors received.

The top selling bull came late in the sale order and was the tall, framy, stylish, white Hespero Bank Flag 12G x. Consigned by William Darlington and Son, Eckville, Alta., this son of Mandalong Super Flag x, sold to J. E. Spearin, Dapp, Alta. for \$1275.

The Champion of the show, Winalot Big Red 2G x, an extremely smooth, well balanced red May bull was consigned by Milton Hennig, Andrew, Alta. This son of Winalot Advertiser 8D x, sold to the good herd of Gordon McRann, Dawson Creek, B.C. for the second top sale price of \$1200.

Dave Durie, Lavoy, Alta. had the Reserve Champion Bull, Redhill Guardsman. This outstanding white son of Duralta Supreme 34C sold for the third high price of \$1050 to R. Wilders.

Frank Leidl of Leidl Enterprises, Prince George, B.C. selected Alatriene Camelot 4G x at \$1000. This smoothly made son of

Redhill Camelot x was consigned by Doug Wilson, Killam, Alta.

Mr. P. Churchill, Barrhead, Alta. selected two quality white heifers that topped the female sale at \$480 and \$450. These daughters of Wyllie's Lad 42D x were consigned by Alan G. Wilson, New Norway, Alta.

## Complete Show results follow:

### Bulls born in 1974

**GRAND CHAMPION SHORTHORN BULL** at the 59th Annual Kamloops Bull Sale, March 5th to 8th, was Terook Superex 16G, a March 15th, 1975 son of Weebollabolla Superex 18th (imp). At the halter is Garry Hook, Terook president, with Mrs. W. C. Turner holding the banner and the Dearborn trophy. Superex 16G sold for \$1325. to Stanley Pethybridge of Tees, Alberta.

**RESERVE GRAND CHAMPION and HIGH SELLING BULL** at the Kamloops' 59th Annual Bull Sale was Glen Kerri Golden Boy, a January 11, 1975 son of Melbros Leader 14th. Proud consignors were Mr. and Mrs. W. C. (Bill) Turner of Mara, B.C., veteran breeders of Shorthorns in B.C. "Golden Boy" was sold to Jack and Sandy Peterson of Tatlayoko Lake, B.C. for \$1400.

# Terook Tops Kamloops Bull Sale

by J. H. Schatz

A good rangey, red 2-year-old bull from the Terook Shorthorn herd at Monte Creek, outside of Kamloops, B.C. caught Judge Bud Boake's fancy for the grand championship of the Shorthorn section of the 59th annual Kamloops Bull Sale, March 5th to 8th.

The champion, Terook Superex 16G, is a son of the Australian imported bull, Weebollabolla 18th, which died recently at the Terook ranch. The dam is Leigh Dewdrop 9th. Terook Superex 16G topped the class for Shorthorn bulls born between March 9th and 16th, 1975, and was one of four entries in the show by Terook Shorthorns.

The reserve fell to another red bull, Glen Kerri Golden Boy, a Jan. 11th, 1975, son of Melbros Leader 14th, out of Fond Hope from veteran breeder Bill C. Turner's herd at Mara, B.C. He was first in line in the class for bulls calved Jan. 11th to March 4th, 1975.

Judge Bud Boake of Acme, Alta., scanned 18 animals in the shorthorn section before picking his champion and reserve. The entries came from ten B.C. breeders and provided a good variety of types.

In the sale that followed the following day, average price of 19 bulls sold was \$790—an increase of \$200 over the 1976 average on 13 bulls. Two animals topped the sale at \$1,400 each and the champion went for \$1,325. Two fetched \$1,000 each and two went for \$900 each.

Stanley Pethybridge of Kamloops Appraisal Ltd. went to \$1,325 for the champion and will be using him on his Tees, Alberta.

ranch. Progeny of Superex 16G will be eligible for the graded-up Shorthorn registry.

\$1,400 was the price paid by Jack Peterson of Tatlayoko Lake, B.C. for Bill Turner's reserve champion.

John McLean of Coulee City, Wash., picked two of the Terook Shorthorns for export to the United States. He paid \$1,400

for Royal Terook 34G, a white polled son of the imported Mandalong Royal Ferro out of Boa Kae Royal Augusta 2nd. He also chose Terook Superex 38G, another son of Weebollabolla 18th out of Broadacres Missie 11A, for the price of \$600.

Top placing in the classes judged by Bud Boake were:

# Shorthorns Strong at P.E.I. Easter Show

By Stella Bowwall

The 26th Annual Easter Beef Show and Sale was held in Charlottetown, March 24 and 25. Very stormy weather made conditions difficult but despite this, a very successful show.

Show secretary Glen Cotton reported the largest number of entries ever received and following the culling committee's report, a total of 125 animals paraded before judge Vernon Fraser, Cross Roads, P.E.I. Mr. Fraser commented on the extremely high quality of the steers at this year's show.

The Grand Champion Shorthorn of the show was a steer owned by James Cudmore, Winsloe, P.E.I. with Reserve Champion honors going to Redvers Stewart, Hampshire, P.E.I.

At the awards banquet our Shorthorn breed was represented by our P.E.I. Lassie Queen, Miss Carol Godfrey who presented the trophies and prizes on behalf of the P.E.I. Shorthorn Association to the various winners. The Maritime Shorthorn Association also donated prizes.

Mr. Cudmore received the Ralph Adams trophy for the Grand Champion Shorthorn steer.

In the 4-H Shorthorn classes, Alex Dixon,

Clyde River, received the Grand Champion award with Laura Lee Jewell, Cornwall winning the Reserve Champion placing.

In the best pair of Shorthorn steers from one farmstead James Cudmore once again captured first prize with George Phelan, Morell, placing second and Gary Phelan, third.

On Sale day, auctioneer Robert Craswell, Brackley, pulled an average of 61.34 cents per lb. for 125 steers sold for a sale total of \$73,524.67. The grand Champion (a Hereford) of the show sold for \$1.83 per lb. Mr. Cudmore's champion Shorthorn brought 94c a lb. and sold to K-Mart. Mr. Stewarts' Reserve steer was bought by the Bonnie Brae Restaurant for 93c.

Following are the results of the steer classes:

#### 4-H Shorthorn steers:

1. Alex Dixon
2. Laura Lee Jewell
3. Carol Godfrey
4. Barbara Godfrey
5. Debbie Godfrey

#### Heavy Shorthorn Class:

1. James Cudmore
2. Temle Stewart
3. George Phelan
4. George Phelan
5. George Phelan
6. Kent Oakes
7. Dan Jewell

8. Gary Phelan
9. Dan Jewell
10. Cecil Godfrey

#### Light Shorthorn class:

1. Redvers Stewart
2. Hillson Hughes
3. Cecil Godfrey
4. Harold Morrow
5. Gary Phelan
6. James Cudmore
7. Lowell Balderson
8. Boyd & Mack Dixon
9. John MacKinnon

# NOTES:

# 1977 Ontario Bull Sale

**TOP SELLING BULL** of all breeds at the 1977 Ontario Bull Sale was Brolor General, consigned by Brolor Farms, Loretto, Ontario. Gordon Cook, Kettleby, Ontario, purchased this Lincoln Red Bull at \$1,800.

**GRAND CHAMPION SHORTHORN** at the 1977 Ontario Bull Sale was Shellore Grand Image 21G, consigned by Francis H. Bullock, Ayton, Ontario. This son of Canadian Image sold to Ralph Adams, O'Leary, P.E.I.

Approximately 100 bulls of various breeds were paraded before Judge Mac Parker, Watford, Ontario at the Ontario Bull Sale, Oakville.

A highlight of the entire sale was the selling of Brolor General 5th, a Lincoln Red Bull consigned by Brolor Farms, Loretto, Ontario. This bull topped the entire sale at \$1800 to Gordon Cook, Kettleby, Ont.

Although this bull had been selected Reserve Champion of the Crossbreed and other Breeds section, he outsold all other Champions. Many cattlemen considered "General 5th" to be the best bull in the barn — and this certainly was evident by the active bidding when the bull entered the ring.

Second top selling bull in this section was Brolor General, another Lincoln Red consigned by Brolor Farms, Loretto, Ontario. He was purchased at \$1500. by Ralph Adams, O'Leary, Prince Edward Island.

## Shorthorn Sale

By Glenn Frosch

Although no high prices were received for Shorthorn bulls at the Ontario Bull Sale, March 23rd, Oakville, there was a steady demand from Commercial Cow-Calf men with most of the Shorthorn bulls going to these herds. Judge for the show was Mac Parker, Watford.

Champion Shorthorn Bull was Shellore Grand Image 21G, consigned by Francis H. Bullock, Ayton, Ontario. This rangy red son of Canadian Image was bought by Ralph K. Adams, O'Leary, P.E.I., for \$600.

Reserve Champion was McKinlay Farms Leader 22G, consigned by J. & A. McKinlay Blenheim. This roan son of Kinnaber Leader 9th went to the herd of Gerald B. Bond, R.R. #1, Little Current, Manitoulin

Island, for \$700.

High selling bull at \$775 was also consigned by Francis Bullock, Knollwood Roan Prince 18G went to the herd of Milton Krauter, Chesley.

The ten Shorthorn bulls sold averaged \$625.

Other buyers were Roy Piercey, Bolton; Wallace Key, Shanty Bay; Murray Hughes, Powassan; James R. Coultres, Belgrave; Carl Spinar, Tara.

Other consignors were, Aberfeldy Farms, Milton; Bodmin Ltd., Brussels; Walter Scott, Georgetown.

## GYAGLEN SHORTHORNS

We at Gyaglen are proud of **GYAGLEN ARGUST** and his offspring. A home bred bull that weighed 1965 pounds at 30 months, and still carries a high percentage of his weight along the top line.

One well known Shorthorn Breeder, after looking at our cattle said, "you could be right".

Another stated that "you have done in the Shorthorn breed what was accomplished by the hog and poultry industry 20 years ago."

# Uniform Group Presented at Lethbridge Bull Sale

**CUDLOBE CENTURY 30G**, Grand Champion Shorthorn Bull, 1977 Lethbridge Spring Bull Sale. Shown by Floyd Bolduc, Stavely, Alberta, he was later purchased by Roy Jensen, Shaughnessy, Alberta. Sharon Anderson shows the bull with Judge Don MacKenzie, Mountain View, Alta. in the background.

**LOCH LOMOND ACTOR 4G** was selected Reserve Grand Champion Bull at the 1977 Lethbridge Spring Bull Sale. Owned by Paul Maier, Lomond, Alberta, he was purchased in the sale following the show by C. A. Vossler, Ervine, Alberta.

By Roy Jensen, Secretary,  
Rocky Mountain Shorthorn Club

The 1977 Lethbridge Spring Bull sale was held in the Exhibition Pavilion, Lethbridge, Alberta, on March 30 and 31, 1977.

This annual show and sale sponsored by the Southern Alberta Cattle Breeders Association had 199 Herefords, 55 Angus and 17 Shorthorns entered for the sale. In the following sale, the Shorthorns averaged \$702.

A very uniform, modern group of bulls gave Judge Don MacKenzie of Mountain View, Alberta, a very difficult time to choose his Champions.

For his Junior and Grand Champion bull, Judge MacKenzie chose Cudlobe Century 30G, sired by Olive Grove Century. Entered by Floyd Bolduc of Stavely, he sold for a conservative \$800 to Roy Jensen of Shaughnessy, Alta.

Reserve Junior and Reserve Grand Champion was Loch Lomond Actor 4G. Bred and owned by Paul Maier of Lomond, "Actor 4G" had been in the Maier show string in 1976. He brought \$800 on a bid from C. A. Vossler of Ervine, Alta.

Senior Champion and high selling bull was a big red son of Mandalong Super Flag. He was Castus Flat Gaylord born March 15, 1975 and entered by Ralph Peterson of Standard. He sold for \$1,125 to Gerald Hochstein of Pincher Creek, Alta.

Reserve Senior Champion bull was also a Super Flag son, RBV Zeldas Go-Getter, born March 5, 1975 and entered by Roy Peterson of Standard. He brought \$825 from D. E. Merrill of Hillspring.

Best "pair of bulls" paraded before Judge MacKenzie was Bolducs Grand Champion along with his half brother, Cudlobe Silver Century 3G.

A complete sale and show list follows:

#### Bulls born in 1974

1. Ramsholt Frontenac 30F x — Ramsholt Farms.

## NOTES:

# CANADIANS BUY & SELL TOPS AT 1977 POLLED CONGRESS

**GRAND CHAMPION BULL, SUPREME CHAMPION AND TOP SELLER** of the 1977 National Polled Congress was **READY GO x**, consigned by Dr. Martin Nold, Gettysburg, South Dakota and Bill Marsden, Austin, Minnesota. He sold to N. Gerald and Grant G. Alexander, Horseshoe Creek Farms, Goodwater, Saskatchewan for \$5,100.

Shorthorn enthusiasts who have attended almost every Polled Shorthorn Congress since the inception, declared the 37th Polled Congress to be the best ever. This year's event was held in Louisville, Kentucky, March 11 and 12.

Sixty-one head of top-notch polled Shorthorns were exhibited by breeders from fifteen states and Ontario, Canada. These fine cattle, coupled with the excellent facilities at the Kentucky State Fairgrounds and the efficient and competent judging of F. A. Heckendorf, Jr. of Castle Rock, Colorado, made for a superb show.

Canadian Breeders can be proud of this American National show and sale offering since over 50% of the entries contained varying amounts of Canadian Shorthorn breeding. Aberfeldy Farms (Reford and Doug Gardhouse), Milton, Ontario, also consigned four top quality Canadian Shorthorns.

Grand Champion Bull and Supreme Champion of the 1977 Polled Congress was Ready Go, exhibited by Dr. Martin Nold, Gettysburg, S.D. and Bill Marsden, Aurtin, Minn. This red, June 1974 bull weighed in on show morning at 1950 with .13 inches of fat. Judge F. A. Heckendorf described this bull as a good bull all around. This big strong bull showed plenty of size and substance.

Reserve Champion was also a win for Dr. Martin Nold, Gettysburg, S.D. with Weston White Cadillac. This May 1975 bull, full of potential, showed a great deal of volume.

Another popular bull at the Polled Congress as well as on the Canadian Show Circuit was Aberfeldy Trail Blazer. Judge F. A. Heckendorf placed this bull second in a very close placing.

Grand Champion female was JAF Candy

**TOP SELLING FEMALE** was **ABERFELDY LADY ALICE 17F** consigned by Reford and Doug Gardhouse, Aberfeldy Farms, Milton, Ontario. Selling at \$2200., she was selected by Phil and Sig Peterson, La Prairie Shorthorns, LaPorte, Indiana.

Cissy 75x, exhibited by Just-A-Few Farms, Ashley, Michigan. Judge Heckendorf selected his Grand Champion from the winners of the nine previous classes.

"Cissy" had previously won the powerful class for females born between July 1, 1975 and August 31, 1975, in which Judge Heckendorf stated that he would like to take all five home. The winner was a big, powerful female with plenty of constitution and presented in excellent condition.

Reserve Champion Female was a win for Green Ridge Shorthorns, Lake Fork, Illinois. "Green Ridge Miss Roan Lea 1 47 x", a tall, angular female was the winner of the class for females born between April 1, 1975 and June 30, 1975.

Cathy Lasby represented the Canadian Shorthorn Association.

## THE SALE

61 Lots average \$1,115

First to enter the sale ring was Ready Go, Grand Champion Bull and Supreme

Champion of the show. Bidding was fast and furious with bids coming from the crowd, mail orders and telephone conversations at the ring. Speeches about the bull were kept to a minimum with the only recess being taken while Ron Hofstrand called back a buyer who had been cut-off.

When the final bid of \$5,100 was placed and Ready Go declared sold, Ron Hofstrand announced that his mystery caller had been Grant Alexander, buying for Gerald and Grant Alexander, Horseshoe Creek Farms, Goodwater, Saskatchewan.

Second top selling bull was Aberfeldy Trail Blazer, consigned by Reford Gardhouse, Milton, Ont. This exceptional January 1975 bull was purchased by Rex Harp, Nixa, Missouri at \$3,500.

Weston White Cadillac, the Reserve Champion Bull for Dr. Martin Nold, sold to Dale Wemicke, Lena, Illinois at \$2,300.

Donna and Michael Dugdale, Omaha, Nebraska, selected Sutherland Ransom 154

## DUSTY VALLEY RANCH PRESENTS

**1 Roan yearling bull by Kenbar White Commando**—This is a long, trim, modern bull with plenty of Height, weighing about 1000 lbs. at a year of age. He shows greater potential at this age than our high selling bulls at last year's sale.

**Also two daughters by White Commando, both long and modern**

**4 daughters by Four Point Snow Cloud**

**2 daughters by Sunalta Mark Perfect**

**2 daughters by Dusty Valley Bonnie Prince**

x, consigned by Sutherland Farms, Prospect, Kentucky. Purchase price was \$2,100.

Several herd bull prospects sold in the \$2,000 price range. These included:

Rodak Ace Surprise consigned by Ron Hofstrand and selling to Gaynor and Emory Shurley, Wattenton, Georgia at \$2,050. Seven T's Snow Promise x consigned by Vic Taylor and selling to W. O. Jennings and Son, Clinton, Arkansas at \$2,000; and Seven T's Barry x, consigned by Connie Taylor and selling to Robert Lumpkin and Family and Lee Lumpkin and Family, Losontville, Indiana at \$2,000.

Topping the female sale was Aberfeldy Lady Alice 17F x consigned by Reford and Doug Gardhouse, Milton, Ont. This 2 year old heifer, selling bred to Aberfeldy Trail Blazer, had topped her class in the show held the previous day. She was selected by Phil and Sig Peterson, La Prairie Shorthorns, LaPorte, Indiana, at \$2,200.

Second top selling female, the Reserve Champion, was purchased by V. O. Byrum, Altoona, Alabama at \$2,000. Green Ridge Miss Roan Lea L 47 x was consigned by Green Ridge Shorthorns and Jerry Taylor.

The Champion Female, JAF Candy Cissy 75 x, consigned by Just-A-Few Farms, was selected by Ted Sherbeck, Ansley, Nebraska at \$1,750.

# Irish Shorthorn Sweepstakes Sale

By Grant Alexander  
Goodwater, Saskatchewan

The first Irish Shorthorn Sweepstakes Sale was held March 27, 1977 in Kansas City, Missouri. Sixty lots of Irish Shorthorns were sold from the herd of Beef Genetics Research, Inc., Mankato, Kansas, with guest consignors from eight Irish breeders and two American breeders. The breeders from Ireland were present and we found them very interesting and enthusiastic about Shorthorns.

The sale was very successful with 60 lots averaging \$1,600. Some of the cattle were eligible for registration in the American Shorthorn herdbook, while others were eligible at percentages in the Graded-up herdbook.

Top selling bull was Shannon Magnificent at \$11,000 selling to Ippenson Polled Shorthorns, Bowan, Illinois.

Top selling female was Shannon Bee at \$6,000, also selling to Ippenson Polled Shorthorns, Bowen, Illinois.

Second top female was Deepark Kildystart 12th at \$5,000 selling to Schultz Shorthorns, Dallas, Iowa.

Five head came to Canada, all selling to the Irish Drovers, Qu'Appelle, Sask. This partnership consists of: Don Murphy, Neville, Sask.; Craig Andrew, Qu'Appelle, Sask.; Carlyle Richardson, Regina Beach, Sask.; and Grant Alexander, Goodwater, Sask. Canadian breeders present were: Bill Huber, Lipton, Sask.; Doug Morris, Saskatoon, Sask.; Ray Schulhauser, Dysart, Sask.; and the Irish Drovers.

Partial sale results are as follows:

## Bulls

Shannon Magnificent (BGR) — Ippenson Polled Shorthorns, Bowen, Ill.	\$11,000
Ballintubrid General 4th (James O'Gorman)	2,000

SHORTHORN NEWS

# RAMSHOLT FARMS

Box 661, Claresholm,  
Alberta  
T0L 0T0  
403-235-2036

Dear Friends:

*We have raised Shorthorns in the Chinook and hard grass country of Southern Alberta for the past 40 years. In the past 3 years we have started to take our cattle out to the ALBERTA SHORTHORN FEATURE SALE. Our success to date has been two top of the sale heifers and one Grand Champion. This, our fourth year out, we have 4 Heifers and One Bull entered.*

*See you at the Sale.*

*Jim Mouser Family  
and  
Jessie Mouser*

## First Canadian Youth Organization Formed in Saskatchewan

by Cheryl Rosom  
Secretary-Treasurer

The organizational meeting of the Saskatchewan Junior Shorthorn Association was held on March 23, 1977 after the bull show.

A discussion of ideas of what the Junior Association could do opened the meeting. Junior members could have an information booth at the spring bull sales and summer fairs selling association memberships, along with promotional material about Shorthorns. Junior members could also help Cathy Lasby in gathering reports for the Shorthorn News. A junior member could be in the Senior Shorthorn Association as a representative of the Junior Association. The Junior Association could have a Junior Field Day for demonstrating cattle grooming and judging. We could host 4H beef clubs in a demonstration day for clipping, grooming, hoof trimming, pedigrees and records, and films; using Shorthorn cattle for the demonstrations. Members of the executive could help members from different areas of the province to put on a demonstration in their area. An age limit of twelve years was discussed as the youngest age for new members to join.

The election of officers took place next. A motion was made by Cathy Alexander that the executive and directors hold office for two years with consideration to change the length of time for office at that time. Seconded by Joan Andrew. Carried.

Reed Andrew is the new president by acclamation.

Candyce Gislason was nominated vice-president.

Cheryl Rosom is the new secretary-treasurer by acclamation.

A suggestion was made to have a publicity officer to help in publicity and promotion for the Junior Association. Cathy Alexander was nominated. Nominations were moved to cease by Carol Cooper. All in favor. Cathy Alexander is the new Publicity Officer.

An open directorship as opposed to a closed board of directors was discussed. An

open directorship would get more participation from all the members rather than from a few if there was a board of directors. The province could be divided into five areas: southeast, southwest, central, northeast, and northwest; a member or one of the executive from each of the areas could serve as a director. It was decided to have one executive director to help the executive when important decisions are to be made.

Heather Northrop was nominated by Joan Andrew. Cathy Alexander moved nominations cease. Seconded by Lisa Morton. Heather Northrop is the new executive director by acclamation.

Joan Andrew moved that we have an open directorship including all members for one year, at the end of the year the directorship will be reviewed and it will be decided whether or not to keep the directorship open. Cathy Alexander seconded the motion. Carried.

Promotional and Fund raising projects were discussed. We could have a booth at the Field Day Sale (June 18) and Field Day (July 10) promoting the Junior Association. We would also talk to other Junior Associations for ideas in fund raising.

Joan Andrew moved that we have a Junior showmanship class at Agribition; the class being shown between the males and females in the open classes; the Junior member to show a registered yearling purebred Shorthorn heifer registered and owned by the member or his family. Barry Cooper seconded the motion. All in favor. Motion passed.

The next meeting is to be on July 10 at the Field Day.

Carol Cooper moved the meeting be adjourned. Motion carried.

# Ballycroy Tops Perth-Huron Calf Sale

By Glenn Frosch

A good crowd was on hand for the second annual Perth-Huron Shorthorn Club 4-H Calf Sale held at Milverton Sale Arena on March 19th.

Demand for older steer calves was reasonably good but for younger steer calves and heifers prices were uneven.

High selling steer calf was consigned by R. J. Lundy, Colgan. This growthy red September calf by Melbros Sensation was purchased by Jim Arand, Newton for \$320. Mr. Arand also purchased a white July son of Good Hope Captain Dutch from R. J. Lundy for \$300.

Gordon Crow, Guelph, paid Bert Pepper, Neustadt \$310 for a roan May son of Seagrave Royal Marc.

Gary Caswell, Waterford paid Glenn Frosch, Puslinch \$300 for a June red son of Master Stroke Orbit. Mr. Caswell also purchased the high selling female at \$750, a red June Royal Princess by Master Stroke Orbit and consigned by Glenn Frosch. Some of the other higher steer prices, with consignors' names in brackets are as follows:

George Alton, Lucknow, \$280 (Bodmin Ltd.), Brussels; James Knott, Clarksburg \$280 — 2 steers (Reuben Brodhagen)

Brunner; Suzanne Alton, Lucknow \$265 (Bodmin Ltd.); Jim Arand \$260 (Smith Bros., Brussels); Sharon Alton, Lucknow \$250 (Bodmin Ltd.); George Alton, Lucknow \$250 (Bodmin Ltd.).

Other buyers were Doug Tanner, Milverton; Don Edgar, Gorrie; Don Watson, Clinton; John Kinsman, Staffa; Ken Alton, Lucknow. Other consignors were, Wm. Smith, Sebringville; Frank Falconer, Clinton; Lloyd Pease, Byth; Don Watson, Clinton.

Auctioneer was Ron Shelley, Gorrie, Sale Manager and Ringman was Frank Falconer, Clinton. Making announcements from the stand was Gerald Smith, Brussels.

## *We wish to share our Herd Bull Power with You*

Selling **OSTERVALE MAJESTIC** in the Saskatchewan Field Day Sale, June 18th.

"MAJESTIC" is a framy 2 year old with plenty of thickness. We feel that with his proven background, he must sire **SIZE AND QUALITY**.

His Sire—Green Row Dominion—has bred exceptionally well in the Oster Herd. He was sired by the well-known Maple Inn Red Knight 2nd of Ernmere fame. And his dam, Saxonian Rosette Wild Ada, was a Bellamy cow that produced many of the tops in the Green Row herd.

His Dam—Ostervale Laura—has to be considered one of the breeds top females. Her size and quality has made her a winner many times in '76 for Rick Rickard. Her sire, Morlock Roseman 3rd, sired many outstanding females in the Oster herd.

*Mark "Majestic" on your herd bull Want list.  
He is proven and sure.*

## **Progressive Plans by Nova Scotia Breeders**

by Lynn McKinstry, Secretary,  
Nova Scotia Shorthorn Association

The Nova Scotia Shorthorn Association held their Annual Meeting on March 12th. Twenty-five members enjoyed a pot luck luncheon previous to the business portion of the meeting.

We are again supporting the 4-H programme in Nova Scotia by presenting \$5.00 and a Nova Scotia Shorthorn Club membership to every 4-H'er who exhibits a Shorthorn calf at his county competition. We are awarding a leather halter and lead to the Champion 4-H Shorthorn calf at each county show.

Several new projects are being planned for the coming year. Patty Burgess and Joy Palmer are looking after the advertisements in the Shorthorn News for 1977. Mrs. Rose Forsyth has donated a picture to the Association to use in a money-making effort. We are selling tickets at 25c each or 5 for \$1.00 with the draw being made at the Maritime Field Day. Joy Palmer is also the head of the Ways and Means Committee. She has already planned a Shorthorn dinner on May 14th and a "Bakeless" Bake Sale.

We are inviting anyone interested to join

our Nova Scotia Shorthorn Association for a minimum of \$5.00. We especially invite those wives, children and friends of our Nova Scotia Breeders who work hard for the Association but actually do not have any voting powers.

The Nova Scotia Association will host the Maritime Annual Meeting and Field

Day on June 10 and 11 in Windsor, N.S. Our next Annual Meeting will be February 25, 1978.

The 1977 executive are:

President: Randy Mailman

1st Vice-President: Brian Forsyth

2nd Vice-President: Phillip Burgess

Secretary-Treasurer: Lynn McKinstry

## **THORNCLIFFE AND D'N EDEN**

will be consigning 18 Head of Shorthorns at the **FIELD DAY SALE AT SASKATOON**, June 18th. These include 5 bulls born Feb. to August, 1975, one red and 4 roans, all ready for heavy service.

The remainder are heifers ready to breed, all have been on R.O.P. Home test. Will have plenty of size and all colours represented. All Polled but one.

This is a select group out of many of our Biggest and Best cows and one Newbiggon Powerline heifer will be offered. "Powerline" is 100% Australian". R.O.P. information available at the stalls.

## INFORMATION AND BIDS:

For information regarding this sale, or if you wish to send in bids on any animal, please contact by mail or phone, the Auctioneer, Manager, Ringmen, or any member of the Committee you may know personally.

## HEALTH:

All animals will be tested for immediate delivery anywhere in Canada and the United States.

## TERMS AND CONDITIONS:

The sale will be conducted under the General Terms and Conditions endorsed by the Canadian Shorthorn Association and printed elsewhere in this magazine. However, the consignors reserve the right to one protective bid.

## NOTES:

# General Herd Management

by Val Kjernisted, D.V.M.  
Stonewall, Manitoba

As the title would indicate, this will be a rather brief resume of a field that I do not pretend to be an expert in, but a field in which I am extremely interested and one that encompasses 100% of my working time.

Having been born and reared with Shorthorns and trained in a profession very allied to live stock production, I feel that I am doubly fortunate in having been able to continue on with a small herd of Shorthorns and, at the same time, practise my profession in an area where cattle population is sufficiently large and diverse breedwise to give me exposure to the many varied problems associated with the various breeds and the varied approaches to herd management. I am not dogmatic enough in my thinking to profess that all my observations cannot and will not bear questioning.

For the uninitiated, good herd management should begin with the selection of good, sound, productive seedstock from a reliable source, or with the help of someone who has proved himself or herself capable as breeders of productive livestock.

Here I would hesitate to expound much further other than to say that in this day and age when we, as breeders, are competing with exotics and "classified cross breeds", size should be our foremost consideration, but I do hope in our search for size we do not overlook the general eye appeal that goes with good conformation and soundness.

The Shorthorn cow is famous for her tremendous reproductive and mothering ability, and a careful approach to selection for size without losing these admirable traits, and the ability to spot some of the undesirable things that can crop up when size alone

is the criteria for selection and culling ruthlessly for these same things, should be our prime concern.

Only by selecting your replacements through careful consideration of performance records as well as knowing your cows and their reproductive records can you hope to come up with animals that will be acceptable to the meat industry as a whole.

A disregard for everything other than what the weigh scales tell you at a year of age can only lead, in my estimation, to the production of many undesirable animals. I don't pretend to know the answers, but I sincerely feel that an open-minded approach with regard to these factors is absolutely necessary if any of us hope to be successful in our efforts to put the Shorthorn breed up where it belongs — on top.

It is this aspect of management that presents the greatest challenge to us as breeders and any of us who will succeed as breeders in the future will have to have the desire to study the genetics, etc., that determine the many factors such as muscling, bone structure and reproduction.

The management of a herd of cattle varies from area to area so I will confine myself to generalities as they would apply to any area. This can best be discussed on a seasonal basis, with particular reference to conditions as they exist for breeders in Manitoba and similar geographical areas.

Summer seems to be the time of year when our cows create the least direct work for us and work the hardest themselves. It is the season when we can watch our calves develop and look after the few ailments that may crop up.

The Shorthorn cow generally is a hard working mother, and I feel that to compensate her for her efforts, a good pasture and water supply are all important. Free choice

salt and mineral should be available at all times. Creep feeding the calves I feel is a matter of choice. Essentially, it will teach calves to eat grain and will make weaning less of a problem.

Generally, the Shorthorn cow feeds her calf sufficiently well that creep feeding benefits, other than the aforementioned, to my way of thinking are questionable. When pastures become short, particularly in the fall, too many cattlemen are prone to neglect the cow herd, and as a result they milk the fat off their backs and go into winter in less than ideal condition.

This is the season when the poor milkers generally look as if they are the thriftiest individuals. Here, I believe, is the answer to the myth that other British breeds are hardier. Our experience has been that, taken into winter in good condition, our Shorthorn cows will put on further weight and condition when supplied approximately 20-25 pounds of good average brome, timothy, alfalfa hay along with mineral, salt and vitamin A, and an ample supply of good water. Further protein supplement is not essential. In fact, it could create problems if continued, particularly prior to and after calving when an oversupply of milk can create udder problems in your cow and digestive problems in the young calf.

Very few beef cows have the comfort (or should I say discomfort) of a stall in a warm barn anymore. Most are wintered right outside in some form of open housing, allowing free access to the outside. Only cows calving during the months of January and February, when temperatures may hover at the 30 - 40 below zero mark, are brought into the barn as such, and here management is of prime importance if a good healthy calf is to be reared.

Once dried off, the calf can thrive very

well in a cold barn. Far greater danger is associated with drafty, over-heated barns where humidity is high and it is difficult to keep them dry.

Some form of artificial heat during the first 24 hours if it is bitterly cold is essential, but once dry and with a full stomach of colostrum the calf has an excellent chance if kept dry. We make it a practice to try to get colostrum into our calves within two hours of calving, and it is all important that they get it within 12 hours. Colostrum acts like an oral inoculation against various disease conditions. The newborn calf's stomach lining absorbs the antibodies and vitamin A found in great quantities in colostrum, but within 24 hours or so this ability to absorb is markedly reduced and you have a calf unable to fend off disease if he does not get this all important first feed, preferably within 2-12 hours of birth. Of all the important management practices with calves, this is most important.

Keeping the cow dry and her teats clean is important as well. In the cow, adequate supplementation with Vitamin A is another practice we follow. Vitamin A's prime function is the maintenance of healthy mucous linings in the whole body—hence its value in the prevention of scours. Particularly when feed quality is questionable or where ensilage is fed, the injection of Vitamin A is advisable.

Management of spring calving operations also demands a clean dry area. I have often wished our land was not so flat and our soil sandier so that we could turn our cows into a calving area with good drainage, etc. Those blessed with this kind of farm should consider themselves fortunate.

Two weeks prior to weaning, in early October, we like to spray the whole herd with a systemic insecticide. This controls warble infestation as well as lice. A week later is the ideal time to immunize against IBR and associated viruses. We recommend the intranasal type of vaccines to our clients, but I would advise consulting your veterinarian prior to use of any virus vaccines. We feel that all replacement females and all calves should be subjected to this treatment annually. Respiratory problems, if not prevented can be costly.

Stress on weaned calves take their toll, and I often wonder and marvel that they should survive the varied and sundry things done to them in the short period pre and post weaning. Care should be taken to allow five to seven days between the numerous jobs to be done on them at this time.

Not being an authority on feeding, I hesitated to get into this management area, but I feel rather strongly on one point I would like to mention. With reference to young replacement females and young breeding bulls, it is my opinion that they should be fed for optimum growth (not weight) only.

I never cease to be amazed at the high fit so many breeders like to put on their yearling animals. This, in my opinion, will look good on performance records, but certainly does not do the animal any good if it is

to be a profitable breeding animal for the future. Too many good prospective replacement females end up hard breeders or poor milkers, and I wonder if this practice of overfitting hasn't something to do with this.

Last but not least, I am aware of this particularly from the veterinarian's viewpoint, good herd management included good handling facilities. How many simple chores become monumental because of lack of simple hold chute or catch pen? Many are the times I have wished I were somewhere else when asked to do a job that should have taken 15 minutes and then becomes a major undertaking and because of lack of a simple chute facility.

## Kenmar Farm Ltd.

offers

### 5 OUTSTANDING HEIFERS for the MANITOBA TRIP WEST SALE

**KENMAR KITTEN 20H** — out of a Buttee Lee cow and sired by our Kenmar Standard Gene 51C.

**KENMAR MINA 26H** — her dam a daughter of Kenmar Standard 19X and sired by a son of Kinnaber Leader 9th.

**KENMAR ALICE 125H** — a May heifer. This is a tall, modern heifer and could make a real prospect for the show circuits.

**KENMAR JUDY 107H and KENMAR BETTY 109H** — two recorded 7/8 Heifers, both sired by Kenmar Standard 51C. These heifers will make top quality brood cows.

The Trip West Sale prices have always been moderate. This is a great chance to buy top line replacement females.

Why not pay a visit to our Farm and see our Calf Crop by our Four Point Bulls?

## Five Years on the Back Roads

By Barre McElravy

Over the course of the last five years, while assembling our herd, I have travelled thousands of miles, talked with many purebred and commercial operators, and walked the pastures to see many hundreds of cows. This gives one a pretty fair idea of the strengths and weaknesses of our breed and breeders I would like to illustrate a few of these.

1. Most of us underestimate what a real top sire will do for us. If one can scrape together enough money for taxes and insurance, then one can afford a better bull. People tell me that a top bull is too expensive or they have no time to look around or a big bull is too hard on fences or beef is cheap so it doesn't matter. These excuses don't cut the mustard. Do you realize that the commercial value in the fall '76 for a 600 lb. calf was .40c per pound for \$240. A 400 lb. calf sold at .30c per pound for \$120. That's two for one. The price difference will be even greater for purebreds. One of two good bulls will make that difference. Also, if you have an old bull that has proven his mettle, don't market him. Put him to work somewhere else.
  2. We are making insufficient use of A.I. It is the great equalizer. Whether you run 5 cows or 500 cows, you can get semen from a proven bull. If it's not available commercially, then buy it privately. Just don't expect someone else to do it for you.
  3. I am convinced that the number one quality that put Herefords where they are is winter hardiness. Commercial cowmen need this. Let's give them more of it.
- It is fifteen years now since the exotic influence really took hold. We have been paying the "piper" ever since. Let's stop it together — FOREVER.

## AVAILABLE

The Service of

**STONE OAK CANADIAN  
FLAG x-446146-**

is available on our Sale  
offering at our Trip West Sale  
at Virden, Manitoba  
June 17th, 1977

"Canadian Flag's" dam is the daughter of a full sister to Kenmar Standard 19X, considered by Harvey Fulton to be his best "Seal" daughter. **Sired by Super Flag, we consider him the best herd bull prospect we have bred.** We plan on breeding two of our sale offering prior to sale time and will make his service available on the others if arrangements are made by prospective buyers prior to the sale.

We are reducing our herd and would sell 10 cows and some yearling heifers. "Canadian Flag" service available on these.

# Agribition Annual Meeting

Approximately 180 guests attended the Sixth Annual Meeting of Canadian Western Agribition, held at the Regina Inn on March 14, 1977.

A very encouraging financial statement was presented which showed a net income profit of \$3,439. compared to \$50,676. deficit in 1976. This "turn-about" in the net income decreased the overall deficit at the end of the year to \$21,688. compared to \$25,127. in the previous year. President R. Leroy Berry told the meeting that this year's results were very encouraging and would continue to improve with the support and hard work of the many people and businesses who participate at Canadian Western Agribition.

Mr. Berry also announced that J. G. (Jim) Lewthwaite has been appointed as Comptroller and Agmap Co-ordinator for Agribition. Agmap is a Federal Government grant program funded by the Department of Industry, Trade & Commerce, designed to assist Agribition in further expanding its marketing activities in the promotion of Canadian livestock around the world.

Numerous questions arising from the floor regarding such subjects as show and sale procedures, split show, increased accommodations, weight restrictions were answered by the 1976 Executive. It was emphasized that although the Agridome is certainly a welcomed addition to Agribition, it would not necessarily alleviate the stabling problems. However, it is hoped that with the Regina Exhibition Association's expansion plans for the near future, there may be one more stabling facility available for the 1977 show.

The 1977 Board of Directors of 16 mem-

bers were elected with R. Leroy Berry remaining as President; John Willmott, 1st Vice-President; Barry Andrew, 2nd Vice-President; Bill Small, Past President; and Ken Halvorson making up the 1977 Executive. The remainder of the Board of

Directors are: Boyd Anderson, Bud Boake, Charlie Carlson, Wayne Clews, Vern Croy, Morris Deveson, Frank Edenoste, Ross Gould, Lyle Fox, Gary Latimer, Gerry Miller, George Perry, Ernie Spencer, Chris Sutter, Vince Coffey and Perry Wilkes.

## New General Manager for Agribition

Gordon Stephenson, Manager, Canadian Western Agribition

President R. Leroy Berry announced that Gordon Stephenson is the new General Manager for Canadian Western Agribition. A native of Ceylon, Saskatchewan, Mr. Stephenson graduated with a B.S.A. Degree, specializing in animal science from the College of Agriculture, University of Saskatchewan and brings to Agribition extensive experience in the livestock field of sales and management.

Prior to his returning to Saskatchewan in early 1977, Mr. Stephenson lived in Calgary, Alberta where he was Secretary Manager of the Canadian Chianina Association for three and one-half years.

Mr. Stephenson will assume his position with Canadian Western Agribition in the near future.

# Alberta's Beef Education

Mrs. Louise Bystrom, Caroline, Alberta is pictured in the Beef Booth at the Resource Fair, Red Deer.

Visitors to the Resource Fair were able to learn the "Cuts of Beef" from the very informative booth sponsored by the Alberta Cattle Commission in co-operation with the Beef Education Committee in Alberta.

## What is it?

A committee composed of representatives from many beef industry-related organizations (breed organizations, Western Stockgrowers, Unifarm, etc.), who are concerned with being involved in beef promotion and consumer education. This Committee was set up in March 1976 and has been active throughout the province on a small scale. It is beginning to gather momentum and would like strong representation from all areas of the province so it can organize an efficiently operating group. At the moment this Committee is working with the Alberta Cattle Commission's Consumer Relations Officer and has a representative on their Consumer Information and Public Relations Committee.

## How Do I Get Involved?

Shorthorn ladies in Alberta can get in touch with Marilyn Sharp, Box 1746, Lacombe, T0C 1S0 or Pat Vickers, Consumer Relations Officer, Alberta Cattle Commission. We need to have representation from each Cattle Commission Zone in the province.

## What Will I Have To Do?

The main area of involvement at the present time is to work with the Consumer Relations Officer at displays set up in shopping malls and at Fairs. Eventually, when we get the background knowledge, we may be able to set these up on our own. If you are not the type to meet and talk with the public, there are many other areas requiring help. ie. making arrangements for meeting rooms, phoning the press to take photos.

## The First Step

To help you take that first plunge, the Alberta Cattle Commission has set up BEEF EDUCATION SEMINARS in four areas of the province. The purpose of the seminar is to give those really interested in working in beef promotion, a background on the retail/consumer end of our product. The day will include a tour of a packing plant, a retail carcass cut-out demonstration plus extensive coverage of consumer problems and misconceptions about beef. The seminars are being held in Calgary on April 13, Edmonton—April 27,

Lethbridge—late May and Red Deer—late June.

## An Example of How BEC Works

On March 19th the Red Deer Home Economics Assn. held their second Resource Fair. This Fair was a display of 27 booths set up by agencies which offer services to the residents of Red Deer and District. The Alberta Cattle Commission was one of the participating agencies. Pat Vickers, Consumer Relations Officer, called on the Beef Education Committee for help. These ladies spent about two hours each working in the booth passing out beef recipes and answering questions about buying and cooking beef.

One of the most popular recipes was this one for Beef Pizza.

## Beef Pizza

1 lb. ground beef  
chopped mushrooms  
1 cup soft bread crumbs  
1 egg  
salt and pepper  
oregano  
mozzarella cheese  
4 oz. tomato sauce  
1 small onion, chopped  
2 tbsp. green pepper, chopped

Combine ground beef, bread crumbs, egg, salt and pepper, ½ tsp oregano and 3 tbsp. chopped mushrooms. In 9 inch pie pan, form a beef crust with the above mixture. Lay a slice of mozzarella cheese over the "crust". Top with tomato sauce, onion, green pepper, and mushrooms. Dash with oregano. Bake at 350 degrees for 55 minutes. Drain off excess fat. Make another layer of cheese on top. Bake 5 more minutes to melt the cheese.

This recipe is one of a set of twelve. You may obtain the set of recipe cards, the new Beef Cuts Chart, Ground Beef Favorites (a recipe sheet using ground beef), Beef in the Crock-Pot and Cooking Beef in the Microwave Oven by writing to: Miss Pat Vickers, Consumer Relations Officer, Alberta Cattle Commission, 209 Regency Building, 118-11th Ave. S.E. Calgary Alberta, T2G 0X5. Just say you saw it in the "News".

## "Mr. Farmer, I Trust You"

"Mr. Farmer, I trust you." This was the central core of a 50-word essay which won a John Deere lawn and garden riding mower presented by Ontario Agriculture Minister, William Newman on CBC Radio Noon, March 22nd.

Mr. Newman appeared, along with Robert Reimer, John Deere Manager of Marketing Services, to present the riding mower as first prize for the winning essay of a CBC-sponsored contest "What the Basic Agriculture Industry Means to Me as a Consumer."

The March 22nd broadcast was the culmination of a special three week series highlighting Ontario's agricultural industry and the various agricultural products marketing boards.

The winning essay, restricted to no more than 50 words, by Mrs. Valerie Powell, Coldwater, Ontario, was chosen personally by the Minister of Agriculture from a large number of entries. It read:

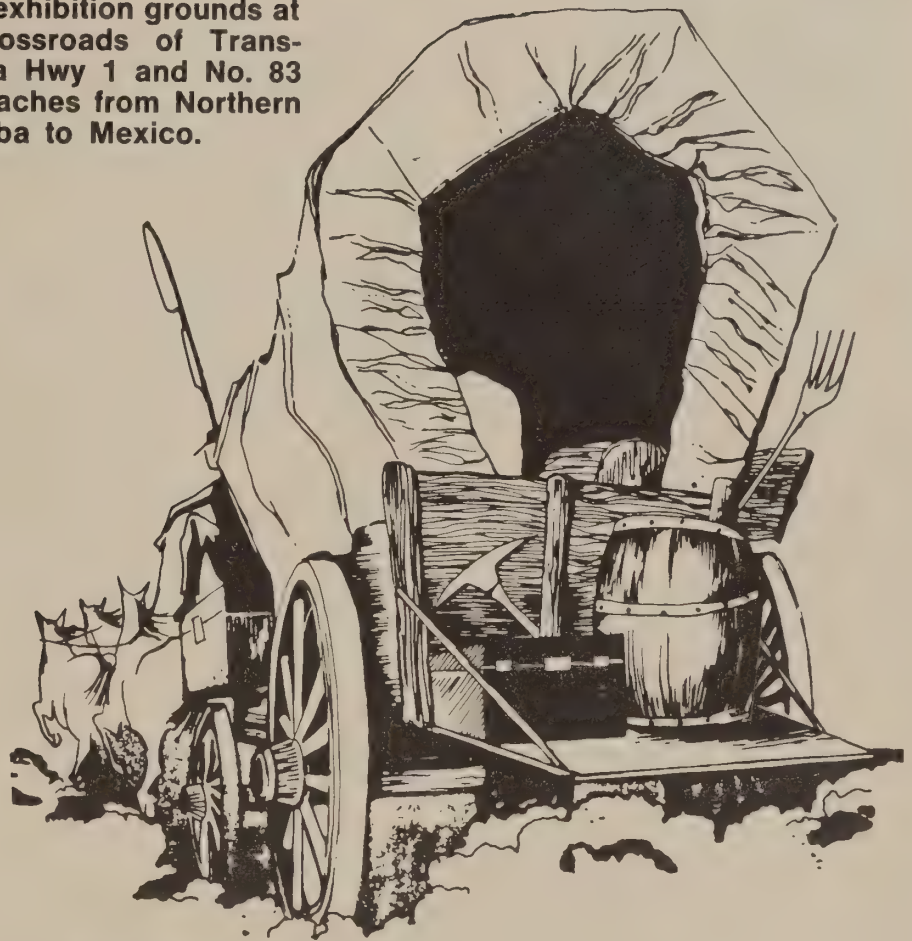

I am the consumer. You are the provider. I do not know your name or face. But, Mr. Farmer, I trust you. I trust that through experience, research and hard work you will provide me with the very best. I trust you with my life, Mr. Farmer.

## Saskatchewan Selects 1977 Queen

**Candyce Gislason, 1977 Saskatchewan Shorthorn Lassie Queen**

The Saskatchewan Shorthorn Lassie Queen for 1977 is Candyce Gislason, Leslie, Sask.

Candyce, the daughter of Mr. and Mrs. Victor Gislason was crowned by the retiring Queen, Cheryl Rosom, at the Shorthorn banquet, Agribition.

She is an active member of the Elfros Beef Club, serving as President this year. She has been a member of the Regional 4-H Council, attended "Clue" and Provincial

Selections. In addition, Candyce is very active in Red Cross activities, school events: drama, glee club; and community service—candystripping.

Candyce served last year as Shorthorn Lassie Princess, so will be renewing acquaintances as this year she attends exhibitions and other Shorthorn events in Saskatchewan. Her year culminates with a trip to the Royal and entertaining visiting queens at Agribition.

The Shorthorn Lassie Princess is Heather Northrop. Her parents are Joyce and Sam Northrop of Liberty, Sask.

Heather is also an active 4-H member of Davidson Lucky 13 Club and has attended Selections and Junior Leader Workshops. She takes a keen interest in all forms of sports and is secretary of local C.B. Club.

Heather will be sharing duties with Candyce in promoting Shorthorns at many events throughout the summer. They will bring their year to a close at the Canadian Western Agribition 1977.

We wish the girls a very Happy and Rewarding Year.

## Saskatchewan Lassies Hold Annual Meeting

by Mrs. Ruth Gibson  
Publicity Director

The annual meeting of the Saskatchewan Shorthorn Lassies was held in conjunction with the annual meeting of the Saskatchewan Shorthorn Association, Feb. 3, in Saskatoon.

The executive for 1977 is as follows:—

President: Mrs. Rose Campbell, Lumsden, Sask.

Vice-Pres.: Mrs. Verna Copeland, Jameson, Sask.

Secretary: Mrs. Joyce Northrop, Box 45, Liberty, Sask.

Treasurer: Mrs. Isabella Moats, Box 4, Gray, Sask.

Publicity-Director: Mrs. Ruth N. Gibson, Outlook, Sask.

We extend our regrets to Mrs. Mary Biggart on her resignation and thanks for her help in years past. We also extend "Get Well" wishes to Lynn.

Anyone who is interested in learning more about the "Lassies" organization, or who wish to become a member contact any member of the executive. Membership is one dollar, send to the treasurer.

# Canada will host 1980 World Conference

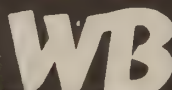

The Canadian delegation of 30 who attended the Second World Shorthorn Conference in Sydney, Australia, from March 29 to 31 succeeded in having Canada selected as the venue for the next world conference. It will be held in Calgary, Alberta, in 1980.

Of the 600 delegates and visitors attending the Sydney Conference, 130 represented nine overseas countries. Theme of the conference, which was officially opened by the Governor of New South Wales, Sir Roden Cutler, was "Meeting the Challenge with Shorthorn Cattle". Mr. W. J. (Bill) Boake, of Acme, was a panel member representing Canada in an open forum discussing "Beef Classification and Grading Systems and Effects on Producers". A total of twenty leading speakers also spoke on breeding, research, marketing and promotion. The conference was arranged to coincide with the 10-day Sydney Royal Easter Show, the biggest annual livestock and agricultural exhibition in the Southern Hemisphere. The Shorthorn breed has the second largest number of entries in the cattle sections.

(Press Attaché, Australian High Commission, Ottawa)

M. R. (Bud) Boake, Acme, Alberta, a past president of the Alberta Shorthorn Association and the Beef Cattle Chairman of the Calgary Exhibition and Stampede, looks at a cattle distribution map of Australia with Australian breeder Mr. Hugh Patterson of Home Creek, Barcaldine, Queensland.

## IN MEMORIAM

Kidd — Hugh John Kidd, Moosomin, Saskatchewan passed away last fall at the age of 74. For many years he had a herd of purebred Shorthorns and all his life he was active in the Shorthorn Associations. He was also a member of the Cattle Breeders' Association, and the Stockmen's Association. For many years he was chosen, because of his knowledge and experience, to cull the bulls entered each year at the Regina Bull Sale. He is survived by 5 sisters.

## Cross-country Shorthorn Activities

Tom Bishop, Rock Creek, British Columbia writes: "The Monashee Youth Vision Inc. group who have a camp for boys about 60 miles north of us, back in isolated territory, have selected 4 registered females and a bull from our herd to start a herd as a project for the young people to work with. They chose Shorthorns because of their docility and their lack of problems".

\* \* \* \* \*

Lynn McKinstry, Middle Musquodoboit, Nova Scotia writes to ask our readers: "Have you seen the movie, It Shouldn't Happen to a Vet? It takes place in England and the only cows in the picture are Shorthorns. There is a series of books by James Harriott. The cattle in these books are always Shorthorns". If you haven't read these books yet, you really should!

# TERMS AND CONDITIONS OF SALES

**TERMS:** The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

**BIDS:** The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner.

**RISK:** All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

**ERRORS:** If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

**CERTIFICATE:** Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal).

**SHIPPING:** Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**Immediate Delivery unless arrangements have been made with the sales management.**

## WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.
3. Each animal is sold as a breeder subject to the following conditions:
  - (a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall

notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.

- (b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.

4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

**ACCIDENTS:** Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behaviour of animals and disclaim any liability, legal or otherwise in the event of personal accident or property loss. The above Terms and Conditions shall be a contract between the buyer and seller of each lot.

## What's Ahead for the "News"?

This is the first May issue published by the SHORTHORN NEWS. You will note that the format is somewhat different since it was printed specifically to serve the breeders who will be consigning cattle to the forthcoming sales. The reading content is somewhat lower than usual but this is due to at least two reasons: cost of mailing and bulkiness at the sale.

The regular June issue will be published. The theme again this June will be Performance. Several breeders have been contacted regarding special issues and I'm sure you will find their thoughts and suggestions very informative.

In August, we will hopefully again print a large issue. While this is not considered a

strictly herd bull edition, it is an excellent time to make sure that all Shorthorn breeders know what type of breeding programme you have established.

Looking ahead to September, another special issue is being planned. Although at the very tentative stages, I believe that several sales to be held this fall would like to take advantage of this issue of the NEWS as a means of printing and distributing catalogues.

I would like to take this opportunity to thank all those who so kindly sent their ads and pedigrees in promptly. This issue contains approximately 205 pedigrees and 59 ads. That's a lot of typing and secretarial work for your basic "cowgirl editor".

# AGRIBITION

## AGRICULTURE IN ACTION

The image of Canadian Western Agribition is "three-fold". It features the Shows and Sales of Livestock; MEXabition, the newest in livestock and farmstead equipment, and seven evening performances combining Agribition Rodeo and top country and western entertainment.

In 1977, the majority of "Agribition Action" will be centered around Regina's new **AGRIDOME**, with a seating capacity of 5,000.

In 1977, Agribition becomes host to the Royal Agricultural Society of the Commonwealth, who are holding their bi-annual Conference in Regina, November 24 to 26.

### QUICK FACTS ABOUT AGRIBITION:

- \*Incorporated in 1971
- \*Offers over \$100,000 in prize money
- \*Over 4000 animals on display
- \*Over 1200 breeders exhibiting livestock
- \*World's largest Hereford Show
- \*Canada's only show of Feeder Calves
- \*Approximately \$1.7 million gross auction sales in 1976

## SHOWS & SALES ACTION IN 77

The Reason It All Began! Since 1971, Agribition has seen top quality animals pass through the show and sales rings. 1977 will be no exception. For the agricultural industry around the world, Agribition is a time to show, sell, buy and promote.

You'll see **SHOWS AND/OR SALES** of all Breeds of Cattle:

Aberdeen Angus, Ayrshire, Beefalo, Blonde d'Aquitaine, Brown Swiss, Charolais, Chianina, Galloway, Gelbvieh, Hereford, Poll-ed Hereford, Holstein, Limousin, Lincoln Red, Maine-Anjou, Marchigiana, Murray Grey, Pinzgauer, Red Poll, Romagnola, Shorthorn, Simmental, Salers, Tarentaise, Welsh Black.

### **SHOWS AND SALES OF:**

Purebred Sheep and Swine

### **SHOWS AND SALES OF:**

Market Steers of all Breeds; Carcass Classes; Commercial Calves.

### **2nd ANNUAL AMERICAN QUARTER HORSE SHOW AND SALE:**

**DISPLAYS OF** all Breeds including Gasconne, Meuse-Rhine-Ijssel, Normande, South Devon.

# MEXABITION '77

## AGRICULTURE TOMORROW

**MEXabition** features an array of Agricultural exhibits to interest just about everyone! There's livestock equipment, haying equipment, shop tools, chemicals, inventions, gadgets, feed processing equipment, grain dryers, electric heating, ventilation, burgler alarms, kitchen cabinets, built-in vacuuming systems, sewing equipment, swimming pools, greenhouses, lawn and garden accessories, roofing and wall coverings, carpets, manure equipment, 2-way radios, grain loss monitors, water and sewage equipment, balers, cattle squeezes, steel buildings and much more. The ladies will especially enjoy the interesting demonstrations held daily in the Home Interest Theatre.

# AGRIBITION RODEO

## ON TOP OF THE ACTION

Rodeo has often been described as North America's roughest sport where cowboys compete for a living, knowing their whole career depends on riding, timing and a little bit of luck. Now located in Regina's new Agridome, **Agribition Rodeo** provides action-filled entertainment the whole family will enjoy. Top calibre cowboys from Canada and the United States ride against the clock and the stock in bareback and saddle bronc riding, bull riding, steer wrestling and calf roping events. Each evening, the girls provide exciting rides in the Ladies Barrel Racing event. In the arena you'll see some of the toughest most cantankerous livestock gathered in one pen and you won't want to miss the thrilling rodeo clown, certainly the most important member of the rodeo cast. **Agribition Rodeo** — where cowboys and cowgirls work with what they know best — cattle and horses.

WELCOME  
TO  
**AGRIBITION**

Ideally Located  
at Regina, Saskatchewan  
Heart of the  
Canadian Plains

Agribition Welcomes  
**The Royal  
Agricultural Society  
of the Commonwealth**  
1977 World Conference

Regina, the capital city of Saskatchewan opens its doors annually to an exciting week of agriculture business, fun and activity. Canadian Western Agribition has become a "traditional event" for agricultural people around the globe.

Regina is served by two major airlines, and is on the mainline C.P.R. and the Trans-Canada Highway.

Over 3000 hotel and motel rooms will ensure comfortable accommodation during your visit. There are fourteen nightspots offering "top brand" entertainment for your enjoyment.

Take time to tour the R.C.M.P. Historical Museum, the Museum of Natural History, Wascana Centre, the Legislative Building, Saskatchewan Centre of the Arts, the University of Regina, the new Regina City Hall and other places of interest.

Canadian Western Agribition is **CANADA'S INTERNATIONAL LIVESTOCK SHOW**. It provides an exciting agricultural learning experience for people of all ages.

At this world famous showplace of livestock, you'll see displays, shows and sales of top quality animals.

Plan to discuss your breeding programs at various breed association exhibits; export and import company booths; artificial breeding unit displays.

# TAIL END STOCK FARM

**NOW**

In the tradition of Royal Marc, Prince 16, Hobo, Columbus and Lancer. A dual bull that will compete. He has passed the test.

A. F. Leveland

Traces further to Brarob, Stanham, Lilydale and Borg.

**BELL BOY** was the foundation sire of the Rosebloom herd; **HAWTHORNE** left daughters to 1,700 lbs.; **BELLE** is a huge cow, easy fleshed, tight uddered, with a good rear end; **PRINCE 16** wrote his own story.

74—We used Prince 16 on 20 cows; Shorthorn, Shorthorn x Simmental; Hereford x Holstein

75—Used Sparingly. By midsummer, we realized it had been a mistake. Prince's calves were tops (six sires represented)

76—Five steers dressed 60%. Bull calves average 600 lbs. at 7½ months

77—Prince is 25½" from hook to pin and 60" tall

We know duals are genetically strong for size. Prince will help in areas of less strength. He sires strong top lines, very good lower rear quarters, improved winter hardiness. We feel these qualities are important to commercial beef production.

**SEMEN: \$5 per vial, minimum of 6 vials.**
